Foreword

Looking Back upon the 66th Grand Lecture Meeting. *Kizō TAKEDA*...1859

Technical Papers

- The Travel of Raw Material and the Distribution of Temperature in the Rotary Kiln.
(Study on the pre-reduction of iron sand with rotary kiln—I)
..... *H. ARAKAWA* and *R. IYODA*...1861
- Viscosity and Fluidity of High Alumina Slag.
..... *K. KODAMA*, *A. SHIGEMI*, *T. HORIO* and *R. TAKAHASHI*...1869
- Measurement of Chemical Activities in Lead-Tin Binary Liquid Solution.
(Study on oxygen concentration cells at high temperature—I)
..... *K. GOTO* and *G. R. St PIERRE*...1873
- On the Effects of Treating with Synthetic Powdered Slag on a Carbon Steel.
(Study on the treatment of molten steel with synthetic slag—I) *K. KATO*...1879
- The Measurement of Modulus of Elasticity at High Temperature and Coefficient of Thermal Expansion for the Comparison of the Rate of Frequency of Thermal Stress Crackings in Various Steels.
(Study of thermal stress cracks in steel ingots—III)
..... *T. HARA*, *M. TAKATA*, *K. ŌTA* and *T. KARASUDANI*...1885
- On the Relation between Austenitic Grain Size and Creep Rupture Strength of Steam Turbine Shaft Forgings.
(Studies on the high temperature strength of a Cr-Mo-V steel for steam turbine shafts—I)
..... *J. WATANABE*, *R. HOMMA* and *Y. KUMADA*...1892
- Effect of Quenching and Tempering Temperature on High Temperature Properties of 1Cr-1¹/₄ Mo-1¹/₄V Steel. *R. SASAKI*...1899
- Study on 20Cr-11Ni-2Mo-0.2P type Heat-Resisting Steel.
(Study on phosphorus-modified heat resisting steel for exhaust valves—I)
..... *K. KUSAKA*, *M. OSAWA*, *K. TSURUMI* and *T. FUKASE*...1906
- The Phase Diagram of the Fe-Cr-N System. *M. OKAMOTO* and *T. NAITŌ*...1915

Special Lecture

Activity of Carbon and Oxygen in Liquid Iron. *Shiro BANYA*...1922

Report of Joint Research Society, The Iron and Steel Institute of Japan

On Trend of the Analysis of Iron and Steel.
(Report on division of analysis of iron and steel) *Takuho IKEGAMI*...1931

Abstracts.....1947, Contents of the Recent Articles Published in Japan and Overseas.....1951, Patent Section.....1953, Miscellaneous:—Report of the Japan Society for the Promotion of Science.....1958, Report of the Plant Visitation in the 66th Grand Lecture Meeting of the Institute.....1962, News.....1968, Proceedings of the Institute.....1970, Notices to Members.....N75, Annual Index to "Tetsu-to-Hagané" 1963.....Last pages.
