

“Tetsu-to-Hagané”

Vol. 62 No. 3, March, 1976

Contents

Foreword

Competition and Cooperation on the Study of Iron and Steel..... Gyōichi SUZUKI...313

Technical Papers

- Mathematical Model of the Shaft Furnace for Reduction of Iron-Ore Pellet..... Y. HARA, M. SAKAWA, and S. KONDŌ...315
- Analysis of Operating Conditions of Shaft Furnace for Reduction of Iron-Ore Pellet by Using a Mathematical Model
..... Y. HARA, M. SAKAWA, and S. KONDŌ...324
- Rates of Nitrogen Absorption into Liquid Fe-Cr and Fe-Cr-Ni Alloys
..... T. CHOH, T. YAMADA, and M. INOUE...334
- On the Kinetics of C-O Degassing from Liquid Iron by Argon Stream..... K. AMANO, K. ITO, and H. SAKAO...344
- Rate of Removal of Carbon and Oxygen from Liquid Iron
..... K. SUZUKI, K. MORI, T. KITAGAWA, and T. SHIBAYAMA...354
- Inclusions in the Mechanical Capped Steel
..... T. UEDA, N. NOZAKI, K. MARUKAWA, and M. TOYODA...362
- Quenching Abilities of Sprayed Jet Cooling and Air Blast Cooling..... M. SHIMADA, N. TAKEDA, and S. AKABANE...372
- Some Properties of High-Speed Tool Steel Powders Atomized with Water..... K. TAKIZAWA, A. DOI, and I. TAMURA...380
- Stress Corrosion Cracking Behavior of Austenitic Stainless Steels in MgCl₂ Solutions..... M. KOWAKA and T. KUDO...390
- Diffusion Layers of Electroplated Chromium on Plain Carbon Steels..... K. OKADA and S. MATSUMOTO...399
- Biamperometric Acid-base Titration of Slags in Molten Salts — Basicity Measurements of Slags of Stainless Steel—
..... T. YOSHIMORI and M. YAMAZAKI...408

Technical Review

High Temperature Bearing Steel and Anti-Corrosion Bearing Steel..... A. KOYANAGI...414

Special Lecture

The Steel Industry in Japan and Great Britain..... Sir M. FINNISTON...424

Reports of the Joint Research Society of ISIJ

Report of the Ironmaking Committee of the Joint Research Society of ISIJ... G. SUZUKI...435

Report of the Steelmaking Committee of the Joint Research Society of ISIJ
..... S. ISHIHARA...441

Letter K. SANO...448

Abstracts.....449, Library News.....456, Notice to Members.....N29
Proceedings of the Institute.....N33

Overseas membership: Annual charge: ¥6000 (incl. postage), Initiation fee; ¥600
